The Gandhi 150 Conference on hate is inspired by the Gandhian values of nonviolence, well-being of all, and soul force (satyagraha). The conference will focus on an action agenda at the individual, community and institutional levels to counteract the spread of hate and build community solidarity.

**Living Gandhi Today**
Annual Magazine
Editor: Dr. Khurshid Ahmad

**Call for contributions:**
We invite you to submit articles, poems and stories about nonviolence and peace from your own experience or projects that align with Gandhi’s message. Articles not to exceed 500 words. Please send by September 1st to almeid@mcmaster.ca
